If you are an adult helping a child around the route but not taking part yourself, please feel free to dress up in festive clothing.

Parking is available around the site; please take note where you park of the restrictions as it differs depending on where you park.

Please dress for the weather and the event, your Santa suit is to go over your clothes on the day. We also advise you wear appropriate footwear.

The race route will be marked out on the day, but it will take you from the bandstand, round the playground area and three times around the park before finishing near to the café.

Remember to bring water with you, there will be a limited supply available on the day, but it is always best to bring your own. We will also have stewards placed at key points around the route.

If you spot anyone injured or become injured yourself, please inform your nearest steward who will arrange first aid.

Please keep a sensible distance between yourself and other runners on the day and bear in mind some of our participants will have some degree of sight loss.

If you become aware of any obstacles on the route, please inform your nearest steward.

If you suffer from Asthma or any other relevant medical conditions, please let our registration desk know on your arrival. Please note participants enter at their own risk.

There are toilets on site, but they cost 20p a go.

On completion of the race don't forget to pick up your medal at the bandstand and please feel free to take your Santa suit or hat home with you.

Please dispose of any rubbish you have in bins around the park to keep the beauty spot looking beautiful over the Christmas period.

One last thing, we will be taking photos and videos on the day and there may be some press in attendance. If you would rather not feature, please advise our registration desk on the day.
